

UPDATED CREDENTIALING/DIRECTORY LISTING FOR ID/AIDS/HIV PROVIDERS:

AIDS/HIV providers may be listed in the Affinity provider directories as AIDS/HIV Specialists or as "HIV Experienced Providers" if they meet the criteria listed below:

- An MD or Nurse Practitioner providing ongoing direct clinical or ambulatory care of at least 20 HIV infected persons who are being treated with antiviral therapy in the proceeding 12 months.
- A provider who has met the criteria of one of the following accrediting bodies:
 - a. The HIV Medicine Association (HIVMA) definition of an HIV experienced provider.
 - b. HIV Specialist status accorded by the American Academy of HIV Medicine (AAHIVM).
 - c. Advanced AIDS Credited Registered Nurse Credential given by the HIV/AIDS Nursing Certification Board (HANCB).

Documentation to support "HIV Experienced Provider" status can be submitted to your Affinity Provider Relations representative.
